DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Availability of Funds for the Nursing Education Loan Repayment Program for Service in Certain Health Facilities

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice of available funds.

SUMMARY: The Health Resources and Services Administration (HRSA) announces that applications will be accepted for fiscal year (FY) 1997 for awards under section 846 of the Public Health Service (PHS) Act to repay up to 85 percent of the nursing education loans of registered nurses who agree to serve for not less than 2 years as nurse employees in certain health facilities.

The HRSA, through this notice, invites applications for participation in this loan repayment program. Approximately \$2,197,000 will be available, and with these funds, the HRSA estimates that approximately 195 loan repayment awards may be made.

The PHS is committed to achieving the health promotion and disease prevention objectives of *Healthy People 2000*, a PHS-led national activity for setting health priorities. These programs will contribute to the *Healthy People 2000* objectives by improving access to primary health care services through coordinated systems of care for medically underserved populations in both rural and urban areas. Potential applicants may obtain a copy of *Healthy People 2000* (Full Report, Stock No. 017-001-00474-01) or *Healthy People 2000* (Summary Report, Stock No. 017-001-00473-01) through the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402-9325 (telephone number: 202-783-3238).

The PHS strongly encourages all grant and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of a facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to

children. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

DATES: To receive consideration for funding, individuals must submit their applications by August 31, 1997.

Applications shall be considered as meeting the deadline if they are either:

(1) received on or before the deadline date; or

(2) sent on or before the deadline and received in time for submission to the reviewing program official.

(Applicants should request a legibly dated U.S. Postal Service postmark or obtain a legibly dated receipt from a commercial carrier or U.S. Postal Service. Private metered postmarks shall not be acceptable as proof of timely mailing.)

Late applications will not be considered for funding in FY 1997, but may be kept on file for consideration in FY 1998.
